CHARMS OF VIOLIN ARE REVEALED AT CLUB SESSION

SPLENDID PROGRAM GIVEN TO APPRECIATIVE AUDIENCE; CONVENTION PLANS

To an appreciative audience of over 250 members of the Tuesday Afternoon club was one of the most splendid programs of the year rendered yesterday afternoon by Henry Svodrosky, violinist, with Albert Adams at the piano.

The regular meeting was called to order by the president, Mrs. C. E. Hutchinson. The decorating committee, under the direction of Mrs. Walter Jones, had artistically arranged bouquets of lavender stocks and yellow Scotch brooms. The minutes of the last regular meeting, which was reciprocity day, and also of the luncheon, were read by the secretary, Mrs. W. N. Stamps, and were approved.

Mrs. Hutchinson again reminded the members of the coming district convention at Pomona, which begins next Tuesday. Any member of the Tuesday Afternoon club is eligible to attend.

To Present Program

The Shakespeare Section of the Glendale club is to present a three-fourth hour program the first day of the convention. There will be special attractions for those staying overnight. Wednesday night the delegates and those attending the convention will be the guests of Claremont college in the department of music. The annual federation banquet will be Thursday night.

The state convention will be held in the Yosemite valley the last of May, from the 24th to 27th, inclusive. Mention was also made of the drama section given to give an evening of three one-act plays the evening of April 21st at the Palace Grand theatre. Mrs. Chase has been rehearsing the members of the section.

High School Girls Hold Dress Assembly

A second "dress assembly" was held by the girls of the Glendale Union high school yesterday afternoon at which time the Misses Straus and Robbins of Pasadena were introduced by Miss Doris Packer, who presided. While they advocated the uniforms as adopted in the Crown City school, it seemed the consensus of opinion that Glendale girls preferred the system worked out at Long Beach whereby immodest attire is censured.

On next Wednesday the mothers will be called into council and the girls finally will vote on the subject, according to Miss Packer, which will settle a moot question as to how they will dress hereafter. A year ago an endeavor to have them adopt uniforms failed.

Registration Active For Special Election

Many citizens are availing themselves of opportunity to vote at the special election to be held in compliance with the new Glendale charter on June 28 when city officials will be named, according to Miss Isabel Tisdale, deputy registrar at Chamber of Commerce headquarters on West Broadway. Mrs. May Myton of 104 South Glendale avenue also reports some registration activity in the east side of the city. As there may be other important civic issues to decide, everyone is urged to enable themselves to vote.

George P. Bohannon To Build Residence

George P. Bohannon of Hermosa, until recently of Glendale, was in this city yesterday on business. Mr. Bohannon built three houses on Myrtle street about a year ago and is looking for a location to build again. He marvels at the way values in real estate, especially close-in lots in Glendale have risen in the last year and says he thinks this condition may continue since we have the population here to command such prices. He says the reduction in prices of building material should be encouraging to the builder.

Sample Ballots For Bond Election Mailed

Sample ballots are being mailed today to residents of the Grand View municipal improvement district which will vote April 26 on the proposition of \$30,000 bonds for public service improvements, principally water distribution mains. About seventy registered voters reside in the district, according to City Clerk J. C. Sherer.

Seniors At Glendale High Hear Call Of Open, 'Ditch' Classes

And they walked right out. Consternation reigned in the class rooms of Glendale Union high school this afternoon shortly after roll call. The seniors decamped. Superficially they did so. For it was "ditch day." Soon the merry throng of near-graduates were seen motor-ing away from the campus bound for Brookside park in Pasadena. There they're having a play day together, many of them schoolmates since they entered kindergarten.

But the under classmen are going to have their fun, too. That's on Friday—"Jinks Day."

GIRLS' SOCIETY OF ST. MARK'S MEETS LAST NIGHT

MEETING HELD LAST NIGHT TO DISCUSS PLANS AND ENJOY SOCIAL TIME

The Girls' Friendly Society of the Episcopal church held its regular meeting in the guild hall of the church last night. Miss Louise Ayala, president, called the meeting to order. As there were a number of young ladies present who had not been to any of the previous meetings Mrs. H. E. Parker, branch secretary, explained about the object of the Girls' Friendly society. She stated that it is one of the oldest societies for women and girls in existence, having originated in England and first introduced in this country in Massachusetts.

This society is under the auspices of the Episcopal church, although girls of any or no church are eligible to become members. When first established the object of these societies was for the betterment of the social conditions of working girls, but since introduced in America it has been adapted to the conditions here. The object now is to uphold the highest ideas of true womanhood. It is practically a training school for the building up of character.

Meets Tuesday Night
The society meets Tuesday night of each week. The first meeting is usually a business meeting, the second is devoted to welfare work, the third an educational meeting and the fourth a social meeting, although this program can be varied.

Mrs. B. O. Holbrook, presiding officer of St. Mark's Guild, one of the oldest organizations of St. Mark's church, bid this new society of Glendale.

Birthday Dinner In Behalf Esther Black

Mr. and Mrs. David Black of Kenneth Road entertained with a dinner party last night in celebration of the 18th birthday anniversary of their daughter, Esther. Guests were Mrs. Harry Conkey and son Robert of Mendota, Illinois, Mr. and Mrs. Dan Campbell and son and daughter, Arthur and Kathleen, Mr. and Mrs. C. Van Eiten and children, Frances, William, Peter and John. Table decorations were prettily carried out in gold and white. Miss Esther Black was born on Easter day, and carrying out this idea the dining table was centered with Easter lilies. Gold and white roses decorated the place cards. The evening was spent in social conversation and music.

Residents Of Chicago Visiting In Glendale

Mr. and Mrs. F. L. Hollingsworth of 462 Riverdale drive have as their guests Mr. and Mrs. C. W. Hollingsworth of Chicago, who visited here last year and were so favorably impressed that they have returned with the probability of remaining permanently.

REPORTS MADE TO POLICE

E. J. Baldwin reported to the police department this morning that carpenter's tools, which he and a Mr. Harris were using on a job at 560 Riverdale drive, were stolen during the night. They are marked "E. J. B." and "Harris." Their value is placed at \$100.

Claude Evans reported that his bicycle was stolen from in front of a local theatre last night and John Wardell of 301 North Cedar street lost his wheel from the rack at the Glendale union high school yesterday afternoon.

PLANS TO FINANCE NINE DIRECTORS OF BUSINESS BLOCK ARE ENDORSED NEW LOCAL BANK ARE SELECTED

PROJECT UNDER WAY TO PUT UP STRUCTURE FOR USE OF LOCAL C. OF C.

At a meeting tonight in the Chamber of Commerce rooms first steps will be taken for the formation of a building corporation which will finance a business block to be known as the Chamber of Commerce building, although it will be a separate and distinct profit sharing organization operating under its own charter. It is proposed to take a lease on a lot 50.9 by 130 feet in dimensions, immediately opposite The Glendale Evening News office on Brand boulevard, on which will be constructed a building to cost not less than \$15,000 and probably in the neighborhood of \$20,000, which will provide rooms for a cigar or flower stand in the lobby, a barber shop to the rear, one small store room and two larger rooms, one to be suitable for a cafe.

Prospectus Is Presented

In the prospectus which was presented to the board of directors of the Chamber at their noonday luncheon yesterday by R. L. Kent, it is estimated that the monthly revenue, including the rental to be paid by the commercial organization for up-stairs offices and use of the banquet hall, would total \$555 monthly. After all overhead had been deducted, it is believed that besides paying 8 per cent to investors in preferred stock, there would be \$11,265 earned for payment on the lot which can be bought any time within that period from its present owners.

Directors To Take Stock

After going into the details of the financing, several of the directors agreed to take the maximum amount of stock allowed any member of the Chamber of Commerce until all have been given the opportunity of sharing in the investment—that is \$500.

A total of \$23,000 of the \$25,000 cumulative preferred issue will need be sold, while \$25,000 in common stock will remain in the treasury until such a time as the Chamber may deem it advisable to take over the property.

Everyone interested may obtain full information on the subject at the meeting tonight and undoubtedly the building corporation will be successfully launched.

Inasmuch as this is a private venture, the directors of the Chamber of Commerce simply endorsed the report, which was prepared by J. G. Huntley with sketches and specifications produced by the R. L. Kent company.

GUARDSMEN PLAN ATHLETIC CARNIVAL

'GLENDALE'S OWN' COMPANY TO BE HOST TOMORROW NIGHT; MEN OF CITY INVITED

Tomorrow night the Fifth Separate company, "Glendale's own," National Guard will hold an athletic entertainment in the High School gymnasium, starting at 8:30 p. m. There will be a "jazz" orchestra, Joe Rhodes will sing, there will be several wrestling matches and some fast boxing. Young men of the city are invited to be guests of the Guardsmen.

On June 16 the local company of the National Guard will leave on the 15-day annual encampment. This is a splendid chance to take a fine vacation and at the same time draw pay. Twenty more men are needed.

There is no definite information as to where the encampment will be held, but it is rumored that it will be at Santa Cruz.

Within the next week the temporary armory will be completed. The civic club rooms consist of a large room for meetings, a smaller room plenty large enough for two or three pool tables, a company store and a reading room. One hundred lockers have been purchased and will be installed soon. The club rooms will be open to members daily from 4 till 10 o'clock. They are located above the boulevard branch of the Los Angeles Trust and Savings bank.

The equipment has already commenced to arrive and within the next week of two the Company will be fully equipped.

Regular drill will start at 7 o'clock Thursday, instead of 7:30 o'clock. Due to the athletic entertainment. The local American Legion post will provide competitive events.

CAPITAL FULLY SUBSCRIBED AND INSTITUTION WILL BE OPENED SOON

Organization of the Glendale State bank is being perfected and, as a result of a meeting held last night, authorization was given to announce the nine directors, as follows:

C. H. TOLL, W. E. EVANS, HOWARD WALKER, C. D. LUSBY, JOHN BRALY, GEORGE CLAYTON, C. E. KIMLIN, PETER L. FERRY, A. R. EASTMAN.

The Glendale State bank, which will conduct both commercial and savings departments, is capitalized at \$100,000, all subscribed, and, the directors plan, will open for business within the next sixty or ninety days. The location of the bank has not yet been decided upon, but a holding company composed of a number of stockholders of the new institution have purchased the northeast corner of Brand and Harvard, almost directly opposite The Evening News building, from Hayward Bristow, and it may be a building will be erected. The lot is 51 feet on Brand and 130 feet on Harvard. The consideration is not announced.

C. H. Toll for President

It is understood that Mr. Toll will be president of the new bank and that Mr. Eastman will be first vice-president and actively in charge of the management. Mr. Lusby will, it is understood, be cashier.

Articles of incorporation have been signed and will go forward today to the state superintendent of banks. There are about sixty stockholders, all residents of Glendale. It is stated that the institution contains local capital entirely.

"The organization of the new bank does not evolve from any lack of service or inefficiency on the part of any of the present institutions," said Mr. Evans, one of the directors, this morning. "On the other hand, all of the banks of Glendale are highly representative, controlled by men of the very best type and standing and are a credit to the community."

Rapid Development

"We feel, however, that such an institution as we are organizing will fit well into the rapid current of development that is prevailing in this vicinity. The new bank should provide, be along with the other financial institutions already here, a potent factor in the proper development of this city and community."

All of the directors are well-known residents of Glendale and a number of them have had years of banking experience.

Laurel District Not Annexed To Burbank

The Laurel avenue district, a strip of Los Angeles county adjacent to Burbank, last week declined to annex to that city by a vote of 25 to 26. This territory is in the path of Glendale's progress and it may be that the residents will desire eventually to become a part of this municipality.

Bungalow Purchased By Mitchell White

Lusby & Campbell report the sale of a six-room bungalow at 311 North Jackson street to Mitchell White, recent arrival from Carroll county, Missouri. Mr. White is staying in Los Angeles at present, but plans to move into his new home on May 1.

Miller W. Fishel Guest Of Friend

Miller W. Fishel, who has been living on Catalina Island for several months, returned to the "old home town" yesterday for a week's visit. He is the guest of B. A. MacIrvine, of Orange Grove avenue.

MRS. WALKER RECOVERING

Mrs. J. E. Walker was struck yesterday afternoon by a bicycle on which H. Harold Fisher of 1339 San Fernando road was riding at the corner of Orange street and Broadway. She was thrown to the pavement and suffered slight concussion of the brain. At the Glendale Hospital and Sanitarium today it is reported that she is getting along nicely.

According to Mr. Fisher's report to the police, he endeavored to miss Mrs. Walker, but in the confusion she stepped in front of his wheel.

Today's World News In Brief

(By United Press to Glendale Evening News)

RESOLUTION ENDS STATE OF WAR WITH GERMANY

WASHINGTON, April 13.—Senator Knox, Pennsylvania, today introduced a resolution ending the state of war with Germany. Knox's resolution was referred to the foreign relations committee. It was in the simple "declaratory form" which President Harding in his message yesterday said he would approve.

FORMER KAISER UNABLE TO COMPLETE FUNERAL PLANS

DOORN, April 13.—Former Kaiser Wilhelm, grief stricken at the death of the former empress, was unable to complete funeral arrangements today. Wilhelm insisted on arranging the services himself, but refused to set the hour. Clergymen and others arriving for the private funeral in Doorn chapel did not know whether it would be Thursday as first planned or delayed until Sunday.

FIND AUTOMOBILE OF MISSING MAN; SUSPECT MURDER

MARYSVILLE, April 13.—Belief that Ivanhoe J. Davis, Marysville tractor salesman, who had been missing since Monday, was murdered, was strengthened today when his automobile was found by the roadside in the highway between Colusa and Marysville. There was a bullet hole through the seat of the car, the seat and running board were spattered with blood and there were other signs of a struggle.

ENGLAND IS DISTURBED BY HARDING'S PEACE PLANS

LONDON, April 13.—Great Britain was disturbed today by President Harding's recommendations for technical peace with the central powers. Despite the reassurance of high officials, there was a general belief that the message will encourage Germany in evading payment of reparations. Definite rejection of the league of nations also caused a belief that America was determined to let the European powers settle with Germany as best they may.

ENGLAND MAKING EVERY EFFORT TO HALT STRIKERS

LONDON, April 13.—Facing industrial death, Great Britain today made Herculean efforts to meet a general strike called for Friday night by the triple alliance. Driven by the implacable miners, demanding nationalization of industry, railway and transport workers prepared to aid them in stopping all business and the circulation of the necessities of life. Premier Lloyd George, for the first time seriously threatened with defeat, renewed his efforts to avert disaster and bring about a settlement of wage disputes.

CITY MARSHAL OF SEAL BEACH SHOTS AND KILLS SELF

SEAL BEACH, April 13.—Harry Mayer, city marshal of Seal Beach, shot and killed himself in his home this morning. The body with a bullet through the head and a revolver clutched in the right hand was found by his wife when she returned from a grocery at 7:30 o'clock. No motive for Mayer's act has been learned. Some time ago he resigned as city marshal to engage in farming either in the San Fernando valley or the Antelope valley. Upon his return here two weeks ago he was re-appointed to his old post.

PANAMA ANSWER TO U. S. HELD AS 'NOT SATISFACTORY'

WASHINGTON, April 13.—The reply of Panama to the last Hughes note on the boundary question between that country and Costa Rica was received at the state department today. Panama's answer is regarded by this government as "most unsatisfactory," it was learned. The note reiterates Panama's refusal to accept the White award as a basis for settling the boundary controversy. This award was upheld by Secretary of State Hughes. The Panama reply is extremely long and goes into the history of the case in an effort to vindicate its position in the boundary question.

STOCKS NOT AFFECTED BY REPORT OF GENERAL STRIKE

NEW YORK, April 13.—Announcement before the opening of the New York stock exchange today that a general strike of transportation workers in sympathy with the miners in England would be called Friday failed to affect stocks during initial transactions. Steel prices showed slight reaction to the announcement of price cuts by the United States Steel corporation. The common stock of that concern opened off 1/2 at 80 and Republic lost only 1-8 at 60 1/4. Lackawana was unchanged at 48. Rails were inactive. Coppers were fractionally higher.

SENATE COMMITTEE APPROVES OF SCOTT BOXING BILL

SACRAMENTO, April 31.—The Scott boxing bill, providing for fifteen-round boxing matches and state regulation of boxing, was unanimously approved by the senate committee on constitutional amendments. If it passes the legislature, the measure goes to the people at the next election. The measure provides for a state boxing commission of three members, to be appointed by the governor. Two of these commissioners are to be members of the American Legion, the measure stipulates. The bill was introduced by Senator William Scott of San Francisco. It follows a resolution adopted by the American Legion at its convention in San Diego last year. The Walker act, which is used successfully in New York, is the model used in framing the California measure.

WRIGHT PROHIBITION MEASURE TO GO BEFORE SENATE

SACRAMENTO, April 13.—The Wright prohibition enforcement act was passed by the assembly late yesterday, 50 to 24. At the same time Federal Judge Van Fleet in the district court here collected \$11,900 in fines from convicted and self-confessed bootleggers. If the Wright measure passes the senate, voters will again be given an opportunity to vote on prohibition in the 1922 general election. The Eden bill establishing a state board of motion picture review was deadlocked in the senate judiciary committee last night. The vote stood 8 to 8 on all motions. Eden announced he would bring the measure on the floor of the senate today. The senate late yesterday passed out the Eckward teacher tenure bill, 28 to 5. The measure now goes to the governor for his signature. The senate irrigation committee last night passed out the bill appropriating \$500,000 for a survey of the proposed Marshall plan of state irrigation. The assembly committee had already passed out the measure but had set the appropriation at \$300,000. Night sessions will soon be held by both houses, it is learned today.

C. OF C. DIRECTORS MAKING PLANS TO GREET VISITORS

NEXT FORUM DINNER TO BE DEVOTED TO DISCUSSION OF C. E. CONVENTION

Stressing the fact that Glendale is to be host to 4000 or 5000 delegates to the California Christian Endeavor convention which will be held here June 25 to 29, the board of directors of the Chamber of Commerce yesterday gave due recognition to the importance of this and other events which will attract thousands of visitors to this city. Two big things were done:

1—The next Forum dinner to be held Thursday evening, April 22, will be given over to speakers who will tell what the Christian Endeavor convention will mean for Glendale.

2—On the motion by Director Peter L. Ferry the president was instructed to appoint a permanent entertainment committee which will co-operate with the Christian Endeavorers, the P. E. O., Elks and other organizations which will entertain guests here.

Mr. Kent explained that there was an active committee of 150 now working here on plans for the Christian Endeavor meeting and that as soon as the John Brown revival services closed, the big tabernacle at the corner of Orange and Harvard streets would be doubled in seating capacity. He suggested Carl Bundy and Judge Thomas as speakers for the Forum dinner.

J. G. Huntley urged the appointment of the entertainment committee at once, inasmuch as Burbank was entertaining the state convention of the P. E. O. sisterhood and that Glendale members wanted co-operation in giving the visiting delegates a motor ride through the adjacent cities and country.

It also was announced that Glendale lodge No. 1289, B. P. O. E., planned to entertain the antlered herd which will visit Los Angeles this summer in their national convention.

Membership Cards In C. Of C. Distributed

Membership cards in the Glendale Chamber of Commerce are being received by members this week. They indicate the date to which dues are paid and on the inside of the card the names of other Chambers of Commerce with which the Glendale organization holds reciprocal relations are printed. The presentation of the card assures every attention from the secretaries at those places.

Enrollment cards also are included in order that members may induce some friend to become affiliated with the organizations. In the letter of transmission, Secretary James M. Rhoades says:

"Won't you try to secure just one new member? Your board of directors, who are laboring conscientiously for the betterment of Glendale, will appreciate it, and the writer also will be very grateful and much encouraged."

Mr. and Mrs. Stubbs' Daughter Christened

At St. Mathias church at Harvard boulevard and West Washington street in Los Angeles on Sunday, Josephine Beatrice Stubbs, infant daughter of Mr. and Mrs. A. Stubbs of 1542 Lorraine street, Casa Verdugo, was christened, the circumstances attending the ceremony being unusual. Father Spencer officiated.

Mrs. A. K. Baird of Los Angeles presented the church with a fount in memory of the six American and Canadian soldier dead who were former parishioners. It was her wish that the child of a former Canadian soldier be the first baptized, therefore the selection of little Miss Stubbs as her father served with the Fifty-fourth Canadians.

Mrs. Baird and Miss M. Roberts acted as godmothers and Captain A. L. Godwin as the godfather.

Merle Collins Goes Into Speed Service

Several changes effective in the police department this week will take Merle Collins from the night desk sergeant's position to motorcycle patrolman. He will work with Walter Trautwein, "speed cop," who has been awarded a new Indian motorcycle for his vigilant service.

Patrolman Carl Blix is slated for the night desk sergeant's job, according to Chief of Police J. P. Lapeert, who is considering several applicants for the vacancy in the ranks of the patrolmen.

HOSPITAL WILL BE LOCAL FORD AGENCY GIRLS' SOCIETY OF ST. MARK'S MEETS LAST NIGHT

PERFECT ORGANIZATION WILL
HAVE CHARGE OF WORK;
GET POLICE POWERS

By GLEN and DALE
When you thought of the State
Christian Endeavor convention to be
held in Glendale, June 25 to 29, did
you think of an emergency hospital
being needed? We know Glendale
is a healthy, safe place, but still
Glen and Dale want to be ready for
anything and young people away
from home, as well as at home, will
get sick. This will be a part of
the ushers' committee work. H. W.
Varick, the enthusiastic chairman of
that work, has found that his duties
are not just to seat the delegates and
open windows, guard doors when
services are in session and take
collections.

The ushers' committee is well organized.
Mr. Melone is vice chairman.
Dr. Harry V. Brown will have
supervision over the hospital when
meetings are in the tabernacle and
there will be a trained nurse in
charge all the time.

Plans Are Formulated
Captains from each church have
been chosen who will appoint their
assistants. Meetings will be held in
many of the churches and halls, and
some one must be in charge in each
place. The captains have had a meeting
with Mr. Varick and formulated
many plans.

Many machines from Los Angeles
county towns will bring delegates
and these must be parked. Property
owners and real estate dealers in the
vicinity of the tabernacle are having
vacant lots put in order for parking
purposes. Though it looks now as if
there would be few vacant lots by
June 25.

The Endeavorers are a quiet orderly
group of people, but crooks think
it a harvest time and so Mr. Varick
and members of his committee will
be given police power. The city government
has promised to provide as
much help as they can get at this
time.

Three Groups Decide To Strike On Friday

LONDON, April 13.—British
miners, railway men and transport
workers today called a strike effective
at 10 p. m., Friday.

The three groups constitute the
"triple alliance." Railway men and
transport workers, who postponed a
strike called for last night, were
driven to the action when miners refused
to consider anything less than
nationalization of the mining industry.

Notice of the strike vote was given
shortly after 11 a. m. today when
executives of the triple alliance went
into secret session.

Negotiations with the miners broke
down yesterday when miners' leaders
flatly rejected the offers of Premier
Lloyd George. The premier offered
to create a national wage board, but
refused to consider pooling of mine
profits. He suggested that the negotiations
with colliery owners be based
on the proportion of losses in the
industry to be borne by labor.

The attitude of the miners led to
the general belief here that they did
not desire a settlement of their dispute,
but were bent on attempting to
force a system of nationalization in
the mining industry.

Railway men and transport workers
were told that they would suffer
wage cuts next summer if they do
not support the miners now.

Following their rejection of government
proposals last night, the miners
attempted to persuade their allies to
go through with the strike originally
set for midnight Tuesday. The railway
and transport workers refused to
issue the strike call because, they
said, it would have been impossible
to notify all the workers in the country
within the few hours left them.

Neither government nor workers
permitted the negotiations to interfere
with plans for meeting the emergency.
The workers prepared to care for
their unemployed and the government
called out more troops to preserve
order.

Rolls of volunteers for service in
the vital industries continued to fill
rapidly. More recruits were taken
into the army and every barracks
saw green men taking their first military
drill.

JESSE SMITH AND HIS AIDS
HOLD CELEBRATION; DINNER
AND DANCE ENJOYED

In keeping with Glendale's reputation
for being first in everything, the
Glendale Ford agency carried away
the honors for Ford sales in the
state of California, selling a total
of 100 cars in the month. This was
largely due to the efforts of Jesse E.
Smith, and his efficient staff of
salesmen and co-workers.

To celebrate this record-breaking
sale and show his appreciation of the
good work done, Jesse E. Smith
tendered a banquet to his employees
and their wives and sweethearts last
night at La Crescenta lodge. Covers
were set for fifty, and the banquet
was a most unique affair. The menu
was arranged into four courses, one
supplied by each of the four departments
of the agency, the service floor,
the shop, the oil room, and the
accounting department, each course
being expressed in terms used by the
departments in the daily routine of
business.

Expresses Thanks
After dinner was served, Mr. Smith
thanked his organization for their efforts,
and expressed a desire that they
keep up the good record by selling
100 new cars this month. Then he
introduced C. A. Brownell, the retired
advertising manager of the Ford
Motor company of Detroit as the
guest of the evening.

Mr. Brownell spoke of the splendid
reputation that the Ford Motor company
had built by its honest dealings
and fair treatment of both employees
and customers, and gave a brief outline
of the history of the growth of the
Ford automobile. He complimented
the Glendale Ford agency in upholding
the established reputation of the
company and its representatives
for serving the best interests of
everyone with whom it dealt, and
closed his remarks by expressing a
desire that they keep up the record
which they had established.

Unique Dance Program

The dance program was in the
form of the daily routine of the agency,
starting with the morning whistle
at 7 a. m. and finishing with 8
p. m. on March 31 when the 19th
car order came in, putting the sales
total over the top. The extras were
the four large orders which the Ford
agency received during the month
from the Davis Standard Bread company
for 10 touring cars, the California
Paint & Glass company for 10
coupes, the Southern California Edison
company for 10 roadsters, and the
McKeechne Bread company for seven
trucks.

The party finished at midnight,
after tendering a vote of thanks to
Mr. Smith for his kindness.

and W. F. Richardson. The remainder
of the meeting was taken up with
reports. At this time it was also
announced that the Nimble Finger
club will meet next Tuesday night,
April 19, at the home of Mrs. Pearl
Moore, 1259 South Maryland avenue.

Norwalk, Conn., had been struck by
lightning the apples left hanging on
the tree were found to be baked.

MEETING HELD LAST NIGHT
TO DISCUSS PLANS AND
ENJOY SOCIAL TIME

(Continued from Page One)
dole a cordial welcome and assured
its members of the co-operation of
the guild.

Announcement was made of a play
to be given by the Girls' Friendly society
at the Pro-Cathedral in the near future.

Plans were discussed for the bazaar
which the societies of the church
will give at La Ramada in June. The
Girls' Friendly society is to have
charge of the candy and fortune-telling
booths.

The next meeting of the society
will be a social one and will be held
next Tuesday night at the home of
Miss Mabel Everts, 163 South Central
avenue. A program committee
consisting of the following members:
Miss Martha Barrett, Miss Connie
Hutchinson and Miss Lorna Galer;
and a refreshment committee consisting
of the following: Miss Mary
Manbert, Miss Mattie Veitch and Mrs.
Harriet Hopkins were appointed to
make plans for this social meeting.

Talks About Butterflies
Miss Fontaine of London, who has
just returned from the Fiji Islands
and New Zealand, and who is a collector
of butterflies gave a very interesting
talk on some of the habits and
peculiarities of the butterflies
and caterpillars.

The meeting was then adjourned
and an interesting game played. Sixteen
envelopes, each containing letters
which when put together formed
the name of a flower, were passed
out. After a specified length of time
upon checking up it was found that
the following young ladies had all
sixteen names correct:

Miss Mary Manbert, Miss Eileen
Sullivan and Miss Corinne Orff. Upon
drawing Miss Eileen Sullivan was
awarded the prize. Chocolate and
wafers were served.

Physicians Declare They Lost By Fraud

LOS ANGELES, April 13.—"Ze li'l
cubes—we roll 'em on ze table and I
win," testified "Count" Albert Sichofsky,
self-styled Polish nobleman, on
trial today in Judge Reeve's court on
a charge of having embezzled \$7,500
from Dr. O. M. Justice and Dr. S.
Levin.

The physicians, however, declared
that worthless oil stock, and not the
festive dice, was the means by which
Sichofsky wheedled them out of the
money.

A jury hearing the case will decide
Sichofsky's fate today. He was convicted
of a similar charge in San Diego
and was sentenced to three years' imprisonment.

—and Father did the Washing ONCE

This incident was told of a Glendale man.

The laundress failed to show up—the wife was indisposed—something simply had to be done about the washing, so of an evening he decided he'd be laundress himself.

For an hour he sloshed and lifted and lugged—and in the morning called us.

We have been calling regularly ever since—his hour in the cellar convinced him that washing is indeed no work for a woman.

But we do more than lighten labor—we give saving, sanitary service—cleanse everything sweetly in rainsoft water and suds of pure, mild soap—iron daintily—call promptly and deliver punctually. In a word, we give you modern laundering service.

Try this service and you'll want no more of the old. Phone us today.

New Facts Expected
To Solve Mystery

LOS ANGELES, April 13.—Inter-
est in the eerie murder of Mrs. Fay
Snodow, whose mutilated body was
found in an Edendale eucalyptus
grove last December, was revived to-
day when Deputy Sheriffs Bell and
Counts announced the belief that ar-
rests are imminent in connection with
the unsolved crime.

New facts unearthed by the de-
puties direct suspicion, the officers said,
on three men who are believed to
have defrauded the wealthy woman
of property and money. This evi-
dence gives rise to a theory that the
three, whose names are withheld,
may have killed her to conceal the
swindle.

Girl Held In Jail
On Bad Check Charge

LOS ANGELES, April 13.—Miss
Irene Smith, 22, pretty, and reported
to be a member of a wealthy San
Diego family, is held in jail today on
charges that she passed fictitious
checks.

Names of Pasadena society women
including Mrs. Anna May Brage and
Mrs. Hal Newton, it is charged, were
used on the checks which were for
amounts varying from \$5 to \$25.

Miss Smith, said to have been
known also under the name of Irene
Johnson, was taken into custody in
the Hotel Alexandria. She already
is on parole for a similar offense, it
is charged.

Congress Considering
Tariff And Taxation

WASHINGTON, April 13.—Con-
gress buckled down today to the big
job cut out for it by President
Harding's message.

Tariff and taxation program pre-
liminaries were tackled in both
branches.

While the house ways and means
committee was putting the enlarged
emergency tariff bill in form for
passage tomorrow or Friday, the
senate finance committee organized
for sales tax and tax reform hear-
ing, which Senator Penrose, chair-
man, said would start soon.

Republican leaders conferring
after Harding's message decided to
lump the emergency tariff and anti-
dumping bills into one measure and
touch it off with an angle of foreign
exchange adjustment.

This made necessary further com-
mittee action today and postponed
for one or two days the passage of
the bill by the house.

"However, time will be saved in
the long run," said Rep. Young,
North Dakota, in charge of the em-
ergency measure.

The Young bill, reported today in
accordance with the new program, is
made up of the old Fordney em-
ergency tariff bill, with rates un-
changed, the anti-dumping bill and
contains an exchange fixing clause.

Italy, Germany, Austria and the
central European and Balkan states
will be affected by this new feature.
Because of exchange disparities, tar-
iff duties on imports from those coun-
tries to the United States would be
increased from three to five times by
this plan.

SAN FRANCISCO, April 13.—
Seattle ran hog wild over at Salt
Lake yesterday, rolling up twenty-
four hits and seventeen runs. The
Bees, of course, did a little hitting
themselves, but they only totaled six-
teen singles and eight runs—a mere
nothing.

In the second inning Seattle made
a touch on Levern for six runs and
as many hits and then, just to show
they hadn't lost their punch, the
Rainiers helped themselves to ten
runs and nine hits off Brindley in
the sixth. Every man on the Seattle
team hit safely during the inning.

The other teams played a more
same variety of baseball. Vernon
beat Los Angeles 6 to 2, and the
beats Los Angeles 6 to 2; Portland
took another defeat, this time from
Sacramento, 10 to 6, and the
Oaks lost to the Seals, 12 to 5.

DELICATE COMPLIMENT

It was teacher's birthday and the
children brought her many bouquets,
which made a fine showing on her
desk. One little girl voiced her ad-
miration of the sight by saying: "Oh,
Miss Blank, your desk looks just like
a grave."

Harding Is Watching
Reaction On Message

WASHINGTON, April 13.—Presi-
dent Harding is watching today for
the reaction of the "feeler" put out
in his message to congress before de-
ciding whether to seek ratification of
the Versailles treaty minus the
league of nations covenant.

Word comes today from a well-in-
formed quarter that if this reaction is
favorable Harding has in mind send-
ing the Versailles treaty back to the
senate to ask ratification with reser-
vations which would eliminate the
league covenant so far as the United
States is concerned, and would other-
wise protect American interests along
the lines laid down in the Lodge res-
ervations.

Harding is said to believe that rat-
ification of the Versailles treaty thus
modified offers the only way in which
the United States can permanently
end its peculiar relationship to the
allies and the central powers. He
views the resolution declaring a state
of peace with Germany as a more or
less temporary expedient.

But whatever his own views, Har-
ding is unlikely to take action which
does not promise to be supported by
the senate. If members of that body
show an irreconcilable antagonism in
the treaty, even with the covenant
deleted, Harding probably will aban-
don further thought of securing rat-
ification.

The sections of his message which
indicated the possibility of thus rat-
ifying the treaty were the result of
long and earnest discussion with Sec-
retary Hughes, who has already ex-
perienced first hand the practical dif-
ficulties arising out of failure to join
in the pact of Versailles.

Hughes, who is understood to have
the support of Secretary Hoover, op-
poses complete rejection of the Ver-
sailles treaty. Two of the principal
reasons said to have been advanced
against rejection are:

That the United States must partic-
ipate actively in the settlement of
German reparations, a question
which is preventing the world resum-
ing its normal course economically.
That participation in the Versail-
les treaty is the way to secure com-
plete protection of American rights
and interests to questions growing
out of the war; that these interests
are confirmed by the treaty and that
it is unwise to relinquish this con-
firmation.

Bebe Daniels Shown
In Well Known Story

In medieval times there existed a
church custom called "Sanctuary."
This obligated monks of certain
monasteries to protect any and all
who, escaping their pursuers grasped
and held on to a certain ring fast-
ened to the outer door of church or
monastery.

Down through the ages we find
this reliance upon the church in
times of need. So much so that
when a harassed girl, crook is
closely pressed by the police, she
seeks refuge in a bishop's carriage.
From then on occur a series of hu-
morous and dramatic incidents which
make a perfect entertainment. For
"She Couldn't Help It" is none other
than the famous story "In the Bis-
hop's Carriage." Bebe Daniels is the
star. The production will appear at
the Palace Grand Theatre today only.

Roscoe (Fatty) Arbuckle will be
on the program, too, in a new edi-
tion of one of his most famous two-
reel comedies, "The Roughhouse." Cartoons and Adventure pictures
also will be shown. "The Alaskan"
overture is selected for the featured
musical number by the Palace Grand
Orchestra. "The Concert" with
Lewis Stone is tomorrow's attrac-
tion.

Ward Healers Must
Go, Orders Woman

CLEVELAND, O., April 13.—
Woman, the newly enfranchised, is
going to drive machine politicians
and ward healers out of the American
political system.

This was the keynote of the an-
nual report of Mrs. Maude Wood
Park, chairman, delivered before the
second annual convention of the Na-
tional league of women voters, in
session here.

The committee on uniform laws is
to present the following recommen-
dations:

An equal interest of husband and
wife in each other's real estate.

The removal of all common law
disabilities of married women.

Wife and child abandonment
should be made criminal offense.

Common law marriages should be
abolished.

The state should require health
certificates before issuing marriage
licenses.

There should be uniform state
legislation on marriage and divorce,
and statutes prohibiting the evasion
of marriage laws.

Bonds And Currency
Reported As Missing

SAN FRANCISCO, April 13.—A
package containing \$17,000 in cur-
rency and \$5,000 in bonds disap-
peared from the mails between Wat-
sonville and San Francisco about
March 30, it became known here to-
day.

The package was being sent by the
Pajaro Valley Bank of Watsonville to
an eastern bank.

The Pajaro Valley bank's loss is
fully covered by insurance, it was
stated.

Democrats Showing
Fight In Congress

WASHINGTON, D. C., April 13.—
The democratic minority in congress
was showing fight today, although
hopelessly outnumbered.

In both house and senate protests
against republican methods of orga-
nizing for business were made. They
were promptly overridden, of course,
but democratic leaders said they
"had gone on record" and were con-
tented.

Democratic senators made strong
objections against the republican
proposal to amend senate rules to
permit committees to have sixteen
instead of fifteen members. The ad-
ditional member in each case would
be a new republican senator, for
whom committee places have to be
made.

Democrats claim this is a despotic
use of partisan advantage and that
it puts them at an unfair disadvan-
tage in the framing of important
legislation.

Senator Hitchcock, acting dem-
ocratic leader, said he would fight the
rule as hard as possible, though the
republican margin of twenty-two
votes means defeat for the dem-
ocrats.

Building Wrecked By
Explosion Of Still

CHICAGO, April 13.—Explosion
of a moonshine still wrecked a two-
story building here today and broke
many windows in the vicinity.

Daniel Samuels, saloonkeeper, was
in his basement when the still ex-
ploded. Firemen rescued him from
the debris and he was rushed to a
hospital.

His wife and two daughters were
thrown out of bed by the violent
blast.

Facts and Figures

By Harry "Blue Bird" Wilson

Let us suppose your laundry costs
you two dollars a week. You may
have it sent out or you may have a
laundress spend one day once every
two weeks at only four dollars a day.

There are fifty-two weeks in a
year.

At two dollars a week your laun-
dry would cost you \$104. In ten
years you would spend \$1040 for
laundry alone, not counting for loss
of pieces or wear and tear on clothes.

If you would put \$200 in the bank
at 4 per cent your compounded in-
terest would amount to only \$96.38.

If you bought a new Blue Bird
Electric Clothes Washer for \$198.50,
and saved your laundry bill for ten
years you would save or earn \$1040
in ten years. Which is 52 per cent
a year on your investment.

It is a proven fact that clothes
washed the Blue Bird way last three
to five times as long as if they were
rubbed to death or sent out.

A shipment of the new model Blue
Bird Electric Clothes Washers have
arrived and are on display at the
J. A. Newton Electric Co., with whom
Harry "Blue Bird" Wilson is con-
nected.

tion who are to take part in these plays almost constantly and a splendid evening is promised. Mrs. Findlay spoke of the tickets, which will be on sale at Bott's, Spohr's, Roberts & Echols and the Chamber of Commerce.

Various Reports Made
Mrs. Leppelman spoke of the club pins which were ready for members who wished to purchase same. Mrs. Archer told of a needy family and urged members having any furniture or dishes who wished to contribute same to give it their immediate consideration. Mrs. Bosserman, who has charge of the county relief, also spoke of some of the needs of that section of the welfare work.

Mrs. Meeker spoke of the progress being made toward furnishing and finishing the kitchen at the Monte Vista lodge for the poor children of Los Angeles county, and told of the May Garden party to be given May 7. Mrs. A. M. Williams, who recently represented Mrs. Hutchinson at the reciprocity day luncheon at the Ebell club, gave an interesting report of the same.

Meetings of Sections
The general curator, Mrs. Tower, announced the meetings of the various sections, as follows: The Literary section will meet Tuesday, April 19, at the home of Mrs. Williams, the speakers being Miss Jessie Brown of Hollywood and Miss Vermilyea. The music section meets Friday, April 22, at the home of the curator, Mrs. C. L. Marlenee. The program will be of local talent and composers. The Shakespeare section will meet Monday, April 25, at the home of Mrs. H. Howeth, 329 North Orange street. The fifth act of the "Comedy of Errors" will be studied. The drama section will meet Thursday, April 28, at the home of Mrs. Barker, 1246 South Glendale avenue. The legislative section will meet at the Masonic Temple, April 26, at 2:30 p. m. and consider some of the bills which are now before the legislature.

At this time two members were appointed by the board and three members elected by the floor to compose the nominating committee to nominate candidates for office for the ensuing year. This committee consists of Mrs. John Robert White, chairman; Mrs. W. W. Worley, Mrs. W. H. Verity, Mrs. H. E. Halstead and Mrs. C. E. Norton.

Program Is Enjoyed
Mrs. Hutchinson then presented the artist, Henry Svedrofsky, violinist, and Albert Adams, who accompanied him at the piano, both of whom she said needed no introduction. The program presented included the following numbers:

- I. "Chaconne" (Vitalle)
- II. (a) "Romance et Andalous" (Sarasate)
- (b) "Slavonic Dance" (Dvorak-Kreisler)
- (c) "Liebesfreud" (Kreisler)
- Violence Caprice (Kreisler)
- Minuet (Mozart)
- III. "Havanaise" (Saint-Saens)
- IV. (a) "Nocturne in E Flat" (Chopin)
- (b) "Scherzo Tarantelle" (Wieniawski)
- (c) "Souvenir" (Drdla)

Each number was heartily received by the members present. Mr. Svedrofsky played each one with an intensity of feeling which was truly remarkable, bringing out both sweetness of tone and strength. The program was varied and contained numbers to suit each individual taste.

H. B. Warner Stars At Glendale Theatre

H. B. Warner, the polished actor, both of the stage and screen, is at his best when reaching the highest peak in dramatic situations. This fact has been forcibly presented in "Felix O'Day," the feature attraction appearing again today at the Glendale Theatre. This Hampton-Pathe drama has been adapted from the novel of the same name by F. Hopkinson Smith.

Felix O'Day, in his search for the man who had caused the financial ruin of his father and later his death, and who also robbed him of the love of his wife, discovers the latter in a cheap rooming house in New York. It is then, when the two come face to face, that the height of H. B. Warner's dramatic accomplishment is reached. His portrayal is forceful and dynamic.

"Running Wild," a Rolin comedy, kept the audiences yesterday rolling in mirth. It shows again today in conjunction with a Pathe Review and Globe Trot scenic. Tomorrow Buck Jones in "Just Pals" is the feature attraction.

In the area of Detroit, the production of motor vehicles has reached approximately 5000 cars a day.

COMMITTEE NAMED BY BOARD OF DIRECTORS C. OF C. TO SECURE ACTION

What Glendale needs more than anything else is a public comfort station and rest room in the business section of the city.

That was the consensus of opinion at the meeting of the board of directors of the Glendale Chamber of Commerce yesterday noon.

On motion by Peter L. Ferry, President C. C. Cooper is instructed to appoint a committee to get action from the city on the subject, even should it take a public subscription to put the improvement across.

Among the communications read by Secretary James M. Rhoades, one from the railroad commission invited complaints against the Pacific Electric service and rates be filed with its engineers, who are conducting a thorough investigation of the system; that a hearing on an application for a raise in rates for natural gas served by the Midway Gas company would be held at the commission's offices in the Pacific Finance building on April 27.

Referred to Committee
Both communications were referred to the railroad, highways and industrial committee.

Resolutions requested by the Better America Federation were referred to the judiciary committee for report and Secretary Rhoades reported that maps of the proposed changes in downtown fire district lines would be on file at his offices until Thursday evening, when they will be presented to the city trustees for approval by City Manager T. W. Watson.

J. K. Todd Builds Auto Painting Plant

The motoring public of Glendale will, no doubt, be interested to know that the new building just completed at 130 South Glendale avenue was erected and equipped specifically for automobile painting and trimming, monogramming and metal bumping.

The building was erected by J. K. Todd, 444 West Wilson avenue, the owner and manager of the business. Mr. Todd, in erecting the building, paid particular attention to lighting, for those interested in pleasing color schemes on beautifully painted and upholstered automobiles know that light is an important factor in this kind of work.

"I have been greatly encouraged in opening my business here by various people who have had their painting done in Los Angeles," said Mr. Todd today. "I feel that my experience and equipment will bring me many satisfied customers."

Mr. Todd has prepared an instructive leaflet on washing and caring for a newly-finished automobile and he states that he will be pleased to give these to anyone calling at his place of business, 130 South Glendale avenue. He also invites the motoring public to call and inspect his new building. Those who know the work Mr. Todd is capable of turning out predict he will build up a large business in Glendale.

Dr. Cochran Invites Public To His Trial

Dr. A. D. Cochran, chiropractor, 112-A East Broadway, held to answer recently by a justice at Alhambra on the charge of practicing medicine with a license from the state board of health, will go to trial in Los Angeles Thursday morning at 10 o'clock at the courthouse and, he says, he invites his patients—and any of the general public who may be interested—to attend the hearing. Dr. Cochran was recently tried before Judge Miller of this city and discharged from custody, it being shown, according to the court, that he had helped, not injured, people in ill health.

"A chiropractic wave is sweeping over the country," according to Dr. Charles B. Pinkham of Sacramento, secretary of the California State Board of Medical Examiners, who contributes an article on the subject to the April number of the Journal of the American Medical association. To attempt to stop it, Dr. Pinkham says, "is about as effective as commanding the waves of the ocean to cease to roll."

Dr. Pinkham discourages efforts to prosecute chiropractors, such as have resulted in numerous jail sentences in Los Angeles and other cities, and suggests instead that the "medical profession educate the masses so that they may have a clearer perception of the effect of disease, the cause of disease and the prevention of disease."

Dr. Pinkham's article was read recently to an audience of chiropractors by Dr. Charles A. Cale, president of the Los Angeles Chiropractic college.

CHAMBER OF COMMERCE COMMITTEE AND CITY FORESTER ATTEND CONFERENCE

Thirty cities were represented by park superintendents and Chambers of Commerce delegates at a conference in Long Beach yesterday called for the purpose of formulating rules for auto camp grounds. Richardson D. White, chairman of the Glendale Chamber of Commerce auto park committee, and L. T. Rowley and E. L. Schuyler, members of that body, and F. A. Marek, city forester, were among those attending from this city.

During the morning the regulations were discussed and at noon the Long Beach Chamber of Commerce entertained the visitors at dinner served by women of the Baptist church at Bixby park and later a tour of the parks was made.

According to Mr. White, this feature of the conference brought to the mind of the local committee the necessity for having parks here, especially one in the Tropico hills which will give a view of the entire city, much the same as Signal Hill does Long Beach.

At the afternoon session the regulations were drafted for auto parks and copies of the conference agreement will be forwarded to all municipalities, with the provisions of the state law regarding public camp ground sanitation, and it is expected that these ideas will be incorporated into uniform ordinances.

Mr. White's committee will report favorably on the establishment of an auto camp site in Glendale to the Chamber of Commerce directors. Definite recommendations will be made which seemingly assures the tourists this facility here within the year.

Believes Guard Duty Cause Of Son's Death

Fred J. Schlichter, aged 21 years, son of Mr. and Mrs. August Schlichter of 241 North Howard street, passed away at Quantico, Va., after an illness of a little over a month. He was a member of the Fifth Regiment of Sharpshooters, Company 51, at Quantico, and stood guard for five hours during the inaugural services at Washington. The father believes that the son's illness dates from that time, when he contracted a severe cold, which later developed into pneumonia, from which he recovered, but which left ill effects which resulted in his death.

The body will arrive in Glendale April 17. Funeral arrangements, which will be in charge of the Jewel City Undertaking Company, will be announced later.

Head Of Christ Is Carved On Big Bean

NEW YORK—The inside of a "Florida bean," about the size of a silver dollar, and probably a needle, were materials used to make the intricately fine head of Christ in 1895 by a prisoner sentenced to death in a Guatemala prison.

Mrs. Oliver Harriman, 142 East Fifty-fifth street, is exhibiting it to friends and trying to get a complete record of the carving. So far she has learned the prisoner left it for his family just before he was to be executed. "As my last message."

The bean is considered a talisman of luck. The family after fifteen years gave the bean to settle a debt over their home, about to be seized. Then the new owner years later gave it to the son of an old friend, Senor Navia.

Cardinal Gibbons when he saw it kissed it three times and told Mrs. Harriman: "You have a treasure—one you should be proud of possessing. I have never seen anything so exquisite."

The carved bean may be exhibited at the Metropolitan Museum of Art.

Longs To See City, So Breaks In Poetry

Frances E. Montgomery of Chicago, niece of Mrs. Stillman Van Osdoll, 316 North Howard, has never seen Glendale—but she has heard of it. Therefore, she is anxious to come here, as witness the following received from her by Mr. and Mrs. Van Osdoll:

GLENDAL E
There is a city named Glendale
In a far western state
Although I have never been there
It may not be too late.
I know I would enjoy
To see this wonderful place
When I hear so much about it
I think it must be great.
My Aunt Emily and Uncle Stillman
Are living there for some time
I know that they are happy
And their lives must be sublime.
I will close my little poem
I have nothing more to say,
But I sure would like to be there
And I may be there some day.

RALLY IN SEVENTH WINS BALL GAME FOR FRANKLIN

GLENDALE BATTLES HARD TO STOP VISITORS BUT ALL BREAKS AGAINST IT

Staging a stubborn batting rally in the last frame of a seven inning game the Franklin High School baseball team yesterday practically cinched first place in the Central league by beating the local high school nine to the tune of 4 to 1.

Glendale led all the way until the first of the fatal seventh when Hughes, the lanky right fielder for the visitors, started the fireworks with a clean single over second base. At this stage the Franklin band burst forth with a volley of futuristic jazz that seemed to cause signs of anguish and despair on the manly countenance of "Handsome Aggie" Aageson, Glendale's mound artist. Before he could come down to earth "Aggie" had issued a pass to Codett, putting runners on first and second. Turner, who had been poison to Glendale batters all afternoon by knocking 'em down around shortstop, proved to be the big hero of the day by soaking the first pitched ball to the building in left field for a triple. Here Dale Wood replaced Aageson in the pitcher's box and before he could get his bearings two more blue and gray athletes trekked across homeplate. These last two markers were the result of a brace of infield errors.

Decision Ends It
Glendale caused the opposing pitcher considerable worry in the last half of the inning, but a questionable decision on a play at second, when Morgan was declared forced out, ended what might have been a successful rally. The bases had been populated by an error on the first baseman, a single by Dennison and a walk to Morgan, when with two out "Pete" Fruhling lined a hot one to the shortstop. Turner juggled the ball momentarily and, after finally picking it up, tossed it to second apparently after "Tommy" Morgan had slid into the bag. Although three-fourths of the spectators thought the play safe the umpire ruled differently, and as his word goes in a ball game the contest was over.

Until the final inning Aageson allowed but one hit, having complete control of things at all times. The breaks of baseball were against him, however, yesterday being Teachout's lucky day.

The outstanding star of the day was none other than "Tommy" Morgan, the diminutive Glendale backstop. Besides batting 500 for the afternoon Morgan proved to be just as good on the defensive, picking runners off the bases time after time. His throws were as good as his judgment of the base runners, and only two bases were stolen against him the entire seven innings.

Berry, the little seventy-five pound left fielder for Franklin, was so small that Glendale pitchers had much difficulty in locating the plate for him. In three trips to the plate he drew two walks. The score:

Drop In Steel Price Will Increase Building

NEW YORK, April 13.—The decline in prices was given impetus today by announcement by the United States Steel corporation of a reduction in steel prices, effective April 13. It was generally expected the steel corporation would soon announce a reduction in wages to follow the price cut, but there was no confirmation of this and E. H. Gary, chairman of the corporation, refused to discuss it. The slash in steel prices was necessary, it is understood, in order to revive trade and halt a buyers' strike. A drop in costs of building materials and a consequent increase in construction work is looked for as a result.

The reductions ranged from \$1.50 to \$9 a ton for various kinds of steel, up as much as \$15 a ton for tinplate.

Ground was broken yesterday for Pomona's new \$50,000 city hall. The contractor, Carl Sanborn, celebrated the day by being sworn in as a member of the city council. He was awarded the job prior to his election.

Boy's Death Causes Inquiry
District Attorney Woolwine was to open an investigation today into the death of Frank Lee, 14, who succumbed as the result of a whipping alleged to have been administered in a Los Vegas, Nev., school.

Autopsy Surgeon A. F. Wagner last night performed a post-mortem examination. He was scheduled to impart his findings to Woolwine today.

Young Lee was lashed with a leather strap, it is charged, for a trivial infraction of school rules. A Professor Stewart is declared to have dealt the blows which caused spinal meningitis. Three specialists swore to statements that a beating induced the fatal malady. The boy died yesterday.

Man and Wife Are Held

Horace D. Hitchcock and his wife, Amy, wanted in Washington, D. C., on an indictment charging them with using the mails to defraud, are in the custody of federal officers in Los Angeles today.

In 1913 Hitchcock, it is declared, posed as a Sunday feature writer for New York newspapers and operated in Washington under the name of the Washington Press Bureau, advertising throughout the country that applicants could earn from \$10 to \$25 a week by writing for newspapers. He is said to have offered to sell a correspondence course in journalism for \$200. Later he extended his activities to Baltimore, federal agents assert.

Love Story Is Told in Court

A story of an eight-year engagement and a promise to marry that never was fulfilled was related on the witness stand by Miss Nellie R. Hall, 31, in her \$50,000 heart balm suit against James Boxhall, on trial in Los Angeles today before a jury in the Superior court. The defendant is a wealthy furniture manufacturer.

A letter purported to have been written by Miss Hall after she had seen her fiancé of eight years in another woman's company, was introduced by the defense in an effort to prove Miss Hall broke the engagement, and not Boxhall. In part it read:

"I admit I have been the goat. It looks like you prefer someone else. I suppose the same woman does get monotonous after eight years. Good-bye and good luck."

He who brags that he takes orders from no one is least obedient to his own conscience.

SCHOOL TO DEFEND DEBATING TITLE ON APRIL 21

TRIANGULAR CONTEST TO BE HELD; SILVER CUP NOW HERE IN JEOPARDY

To defend its debating title, Glendale Union high school has to get into a triangular argument on April 21 with Citrus Union and Covina high schools—all that remain in the Southwestern Debating league. This again places the silver loving cup won by Glendale last year in jeopardy as the one debate may decide whether the local school shall retain the trophy. The question is: "Resolved, That the United States should institute a responsible form of cabinet government."

This subject was chosen by Dean Hunt of the University of Southern California and is little more than a question whether the British type of government is better than the American.

Annual Oratorical Contest

Tryouts for the annual oratorical contest are set for April 29 and the big event will be held here on May 6. The All Southern California oratorical is scheduled for May 20. Already the pupils are preparing their speeches in anticipation of representing Glendale high.

Steel lockers are being installed today in order that each scholar will have a place for cloaks and books. The new bungalow school rooms will be put to use as soon as convenient, Principal Moyse announces. Several are awaiting gas heater installation.

Tariff Program Of Congress Is Started

WASHINGTON, D. C., April 13.—The "farmer first" tariff program of the new congress got well under way.

The emergency tariff bill, protecting wheat, wool, meat and other agricultural products from foreign competition was reported from committee.

It will pass the house Wednesday, Chairman Fordney of the ways and means committee predicted. Republican Floor Leader Mondell named Thursday as the time limit.

The suggested sales tax to be considered soon by the senate finance committee will provoke much opposition from farmer and labor interests, according to indications reaching congressmen.
